

Graphic / Video Designer and Producer

Palm Valley Church is a growing church in Goodyear Arizona. In June of 2010 we moved into a new facility near Litchfield Rd and I-10. While Palm Valley has experienced positive growth since it started 10 years ago, the last year has been incredible. We have grown to a weekly attendance of 3,800 and that trend seems to be continuing. In the last few months we have taken some significant steps to continue our growth including a weekly television show that airs on Sunday evenings.

Palm Valley Church is seeking someone to fill a graphic design and video production role. This person will work directly with the Creative Arts Pastor to develop creative ideas for weekend services and other creative communications.

Responsibilities and Duties

Graphic Design Duties

- Developing concepts and designing materials including series artwork, logos, branding items, other graphic materials.
- Coordinate, design and distribute newsletters
- Assisting the creative team with brainstorming and creative strategies for services and communication pieces.
- Proofreading to produce accurate and high-quality work
- Presenting finalized ideas, designs and concepts to creative team
- Managing and maintaining graphic files, including photos, logos and art

Video Production Duties

- Assist in brainstorming of creative video elements for weekend services and creative communication.
- Shoot and edit creative videos such as testimonies, series promos, informational etc.
- Create motion graphic and other videos for series branding such as promo and intro videos.
- Edit weekend service videos for television production.

Skills and specifications

- Good creativity
- Ability to meet tight deadlines and ability to handle projects simultaneously
- Organized and detail-oriented
- Good communication and interpersonal skills
- Exceptional organizational and communication skills
- Good leadership techniques and a curious mind
- Typography and Photography skills are an advantage

Education and Qualifications

- Minimum college or university diploma in graphic design, related field preferred.
- Knowledge of ADOBE Creative Suite including: Photoshop, Illustrator, Premiere, After Effects, knowledge of Microsoft Office, other video production software knowledge such as Cinema 4D, Motion, Final Cut is an advantage.
- Web site design knowledge is an advantage
- Writing and editing skills
